

## At home ... away

Created 1 Jul 2001 - 12:00am

This booklet is for gay men who are travelling — either within Australia or overseas — but is useful reading for all gay men. It is intended for both HIV-negative and positive men. The information covered includes sexual behaviour while travelling, planning your time away and issues around HIV treatments while travelling.

This [AFAO](#) [1] Australian Federation of AIDS Organisations. AFAO is the peak non-government organisation representing Australia's community-based response to HIV/AIDS. AFAO's work includes education, policy, advocacy and international projects. /NAPWA education resource was developed in 2001. You can read the text of the resource below, [download a PDF version](#) [2], or [contact NAPWA](#) [3] to obtain a hard copy of the passport-sized booklet.
