

AIDSmeds (US)

Created 17 May 2009 - 9:13am

AIDSmeds.com is dedicated to providing people living with HIV the necessary information they need to make empowered treatment decisions.

The founder and some of the writers of this web site are living with HIV, and we know first hand the challenges of learning how to fight this [virus](#) [1]A small infective organism which is incapable of reproducing outside a host cell.. By offering complete, but not complicated, up-to-date info, AIDSmeds.com seeks to help those that are both new and old to this challenge, and to remain a powerful resource for years to come.
