

Community Support Network (CSN)

Created 10 Jul 2009 - 10:19am

Community Support Network (CSN) provides home-based care to help people with HIV to live as independently as possible.

CSN offers support with:

- Cleaning
- Cooking
- Shopping
- Transport to medical appointments

Services are free and are provided by a team of staff and volunteers.

Volunteers are given training in providing practical care and support.
